AMS NEWSLETTER

July 2017

It is our mission to provide the highest quality of medical products and personal service to all customers!

We strive to help our customers live better! We take pride in working with our customers to meet their needs and in turn enhance their ability to live independently.

Firework Safety

- First, make sure there is not a burn ban- go to <http://www.arkfireinfo.org/> and select your county to see if there is a ban.
- Know your fireworks- Read the instructions and cautionary labels before igniting
- Wear safety glasses when shooting fireworks
- OUTDOORS ONLY! In an open clear space
- Do not try to relight a "dud" firework
- Children should not ignite fireworks

Do not forget the safety of our pets!

- Do not bring your pets to a fireworks display, even a small one
- If you are using fireworks at home put your pet in an interior room to avoid exposure to the loud booms.

How to dispose of Fireworks

- First wet them down
- After they are wet and cool place into a metal trash can away from buildings

July is the Americans with Disabilities Act Month

President George Bush signed into law on July 26, 1990 the ADA. This act brought awareness and recognition to an issue that had previously been overlooked

The ADA enforces laws to ensure quality of life through equal opportunity for those who are disabled

For more information on ADA rights please visit

No child should be hungry this summer.

If you have a school-aged student (under 18) in need of breakfast and lunch this summer, simply **text "FOOD" to 877877** and receive a message back with a location closest to where they can get free summer meals. Please spread the word so no child goes hungry this summer. This is a nationwide program so please let everyone know!
